Sight Loss Adviser

25 hrs per week -
Salary £ 15,600 pa

The successful applicant will provide advice and support to people living with sight loss and blindness in East Lancashire from the Sight Advice Centre in Accrington and various locations in Burnley, Pendle, Rossendale and Ribble Valley.

Applicants should be able to demonstrate:

- Experience of supporting blind, disabled or elderly people**
- A passion for making life better for blind people**
- Exceptional communication skills and team working**
- Educated to at least A level standards**
- Ability to work on their own initiative**
- Experience of using MS Office applications**
- A commitment to continuing personal development**

The Society was formed in 1875 to support blind people in the community and it remains our mission today to enable blind and partially sighted individuals to become masters of their own destiny at home, in education, at work and socially.

We have ambitious plans for the future to both make our existing services more widely available to people from different communities across East Lancashire and to develop new and innovative services which reflect the changing needs of people living with sight loss.

You could help shape and deliver these plans!

About us

Our promise to the people who use our services is that they will receive caring professional advice and support which is tailored to their needs regardless of their personal circumstances.
