

WELCOME TO OUR PENDLE & RIBBLE VALLEY NEWSLETTER

Bringing you our latest newsletter bursting with all the latest good news stories and information in the world of Our Lancashire.

Our Lancashire Update

Our Lancashire is a Lancashire wide initiative to bring groups and communities together under the banner – “Let’s Join Together” in order to make Lancashire a greater place to live, work and play.

Supported by the [Police and Crime Commissioner](#), Our Lancashire supports not-for-profit community groups, agencies, community interest companies (CIC), charities, etc. to promote groups, events and activities locally and spread the word about your amazing work and organisations. As Lancashire Constabulary employees, the Our Lancashire team are closely aligned with the Police, and can liaise with local Neighbourhood Policing and Community Safety Teams.

There is plenty of useful information and [resources](#) on our website. Why not follow us on social media (see top left for links) for funding opportunities and Lancashire’s community news? Looking to find out what’s on in your area? Or find a local group to partner up with to deliver a community project? Check out our [free website](#) listing community groups and events locally.

We’ve been creating these monthly newsletters for a while but I’m always on the lookout to **find great content** for the next issues! Please **get in touch** to share **news**, **events**, **requests**, **shout outs** or **job vacancies**.

If you have any questions regarding anything in the newsletter or would like support, please contact **me** Gail.Barton@lancashire.gov.uk | **07534 242304**

Our Engagement Diary

This month I enjoyed...

July's focus was very much about making a difference in your community so it was a delight to join the many supporters of [Brierfield Children's Community Allotment](#) at their recent thank you event. It is a fantastic site, and since they reopened there has been a wealth of activity taking place. They created this fantastic thank you wall to celebrate all the support and donations received

Janette and I also enjoyed a visit with Tom from Pennine Lancashire Community Farm, which operates from a number of sites across the Burnley and Pendle districts. It was great to learn about their plans and the opportunities available for people to get involved. Their new eco friendly building had its official opening this week. It was a fantastic turnout on a glorious day and these new facilities are going to make a huge difference to the community and the activities available.

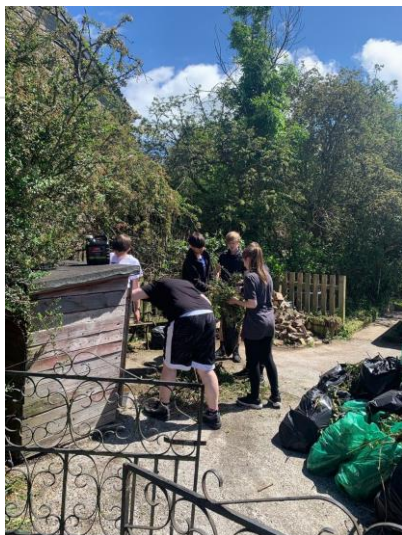

Water safety has been in the news recently, [thanks to Chorley mum Beckie Ramsey](#) so I was excited to visit [Lancashire School Sailing Association \(LSSA\)](#) to see their facilities at Spade Mill in Longridge, learn more about their development plans and how the pandemic has kept many of our young people away from safe water activity.

They're now back up and running and I saw first-hand the fun and skills development that is involved in a session with their qualified instructors.

Plus we've had a real focus on the first national Antisocial Behaviour Awareness week. [We even made a video](#) – (this is getting to be a habit!) Take a look at the [Our Lancashire Facebook](#) page to see what else we've been up to this ASB week.

We recently had a conversation as part of the Pendle Green Social Prescribing network about the potential of helping out vulnerable residents in need by providing a Garden SOS. And we were delighted to enlist the help of [Nelson and Colne Police Cadets](#) to make it happen!

COMMUNITY NEWS & MORE...

From out and about in the community to how to seek more funding, we've got it covered in this issue.

Take a minute to...

Watch this short but inspiring video by [Mill Hill Ladies](#). It is full of the #FeelgoodFactor, even if you've no interests in football

And it's well worth listening to this poem written by a person with lived experience of poverty, who needed the support of a food bank:

Secure Communities Scheme.

Community organisations in Burnley and Pendle have been awarded free security kits through the [Secure Communities Scheme](#)

The Scheme is now seeking more applications from community projects. Any local initiative that is run by or supports the local community can apply. Successful applicants receive a tailored security kit to help secure property, premises, equipment or storage areas to the value of £150.

Application forms for the Secure Communities Scheme can be found [here](#)

Lancashire BME Network are hosting a number of Meet the Funder sessions in relation to the [Comic Relief Global Majority Fund Micro-Grant Scheme](#) which awards up to £2000 to BAME led groups locally.

Trawden Forest Library and Community Shop have received 'rural Oscars' after it was highly commended at the 2021 Countryside Alliance Awards.

Vaccination programme update

Across Lancashire and South Cumbria, almost 1.15m (83% of the adult population) people have been vaccinated and an incredible 2m doses have been delivered.

Everyone aged 18 and over can now book their vaccination on the National Booking System at www.nhs.uk/covidvaccination (or phone 119) and there are also many walk-in appointments available.

For details of local walk-in opportunities visit www.healthierlsc.co.uk/getmyjab

RIVER RIBBLE ARTS, HERITAGE AND CULTURE

The National Heritage Lottery Fund has given - Mirador and the Ribble Rivers Trust - the go-ahead to submit a development application with the aim of delivering the full, ambitious programme over a further 3 years.

Organisers need to demonstrate to the decision makers that there is a great appetite in this part of Lancashire for projects that celebrate our heritage, that recognise the importance the Ribble has had for this area over millennia and to provide a platform for local groups committed to the promotion of the arts and culture.

Please complete this questionnaire which will help emphasise the 'need' for and interest in the project. It's a form with simple tick boxes which does not take long. All you need to do is just click on this link:
<https://forms.gle/QRzaKGb7ZESGwCKVA>

GREEN TOKEN GIVING

Asda's charity, the Asda Foundation has launched **Green Token Giving online**. Have your say on where we invest **£1.4m** to support your local communities this year. Through the virtual Colne store you can vote for;

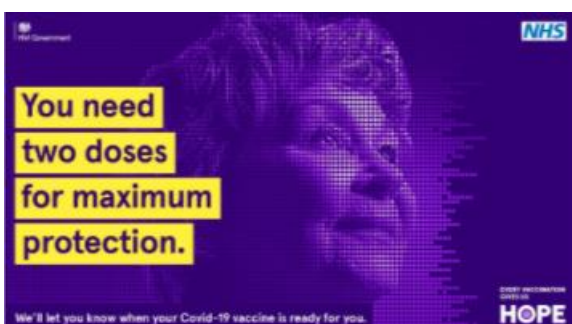

- [Trawden Forest Primary School](#)
- [West Craven Warriors Amateur Rugby Club](#)
- [Safenet Domestic Abuse Services](#)

COVID VACCINE TOOLKIT FOR EMPLOYERS

The Department for Health has launched a new toolkit for employers to give employees reliable information about COVID-19 vaccines.

The toolkit has lots of materials for internal awareness campaigns promoting the benefits of vaccination, including key messages, posters, fact sheets and videos providing accurate up to date information.

Download the toolkit [here](#).

DIS-LABELLED

Di-labelled is a CIC based in Blackburn and covers Lancashire who support people with disabilities. They're campaigning for a more inclusive icon that represents all disabilities and have set up a petition - <https://petition.parliament.uk/petitions/588786>

An inclusive disability symbol to be displayed on all public facilities for disabled people will help ensure that ALL disabled people are represented. The International Wheelchair Symbol has been widely used since 1974, during which time the UK has welcomed many progressive changes around disability, at present supporting over 14 million people with a range of disabilities. As around 80% of these disabilities are not visible & over 90% of disabled people don't use a wheelchair, we need to update the disability symbol. This will help prevent disabled people from being challenged and fight the discrimination they regularly face.

#RECONNECT with IN-SITU

As part of In-Situ's arts and ecology program they've created a free publication for local people to reconnect with themselves and their environments, which will be distributed at a number of local places this summer.

This booklet gives insight into the work of 8 artists who came and worked in, or made work about Pendle through a series of artist residencies. In the booklet, each artist proposes a different creative or mindfulness activity, which can all be done in a group or independently. Contact Calum@in-situ.org.uk or sophiem.insitu@gmail.com to find out more.

CARDS FOR KINDNESS

Loneliness is a growing problem among older people, and in care homes it can be a particularly difficult issue to resolve. Figures from Age UK show that 200,000 older people have not had a conversation with friends or family for a month, and 60% of people in care homes get no visitors at all.

Whether you're visiting iconic buildings like Blackpool Tower, taking in the stunning south Cumbrian countryside, or roaming the majestic moorlands of Pennine Lancashire, send a postcard of your favourite place to a local care home to brighten someone's day.

Cards for Kindness is an initiative which aims to reduce loneliness in our care homes by encouraging members of the community to send a card to a local care home. Find out how easy it is to get involved at [Healthier Lancs and South Cumbria :: Cards for Kindness \(healthierlsc.co.uk\)](http://HealthierLancs and South Cumbria :: Cards for Kindness (healthierlsc.co.uk))

MARIO – Maps And Related Information Online

20 years ago, online mapping was very much in its infancy... Google Maps didn't even come in to being until February 2005! So, who knew back then that our very first venture into sharing information via maps, MARIO – Maps And Related Information Online, would stand the test of time!

Twenty years later and MARIO is used not only in Lancashire, but the world over and we could never have imagined what an important source of information it would become... To celebrate this milestone, we'd like to know more about how you use MARIO and how it is has helped the community of Lancashire and beyond. Help us to shape the future of MARIO by completing our short questionnaire. We'd love to hear your thoughts. The questionnaire will be available until 31 July 2021.

ENABLE: THE PERINATAL CARE OF BAME WOMEN

This UCLAN study aims to explore the experiences of maternity care and mental health needs and support amongst women who have given birth in the last 2 years from Black, Asian and Minority Ethnic (BAME) communities in Lancashire and South Cumbria. The survey is available in seven different languages

We are also asking community/group leaders if they would be willing to ask questions during their activities. Please note we would like to offer a £100 voucher to your organisation/group as a means to thank you for the community consultations. Contact Shirley Palmer SPalmer7@uclan.ac.uk for more info.

Competition to reduce trespass on our railways

The Community Rail Education Network is a collective of community rail partnerships from across the UK who are working with train companies such as LNER, Trans Pennine Express, Northern and Great Western to run a national competition to reduce the high number of trespassing reports on

the railway. Backtrack aims to increase the awareness of the dangers of railway trespass in an engaging way for both young people and adults. This year's national competition starts on 1st June 2021, entries must be submitted by 30th September 2021.

Backtrack 2020
Song winner
Henry Plume

How to enter

We are asking individuals or groups (aged 7+) to create a short film, storyboard, song or script to warn others of the dangers of trespassing on the railway.

You can upload your entries to our website where you will find tips for creating your entry, railway facts and information about prizes. You can also see last years entries, including the winner Henry Plume.

Please share your entries on social media to help spread the word!

How we can support you...

The Backtrack team will provide support to help you launch and run the competition with your school or youth group. You will receive:

- A short competition launch film which you can play to your group
- A live virtual session with one of the Backtrack team
- A website full of ideas, information and links to help create and upload your entries.
- Inspiring Facebook, Twitter and Instagram posts and updates throughout the competition.

Find out more at:

This Community Rail Education Network competition is for individual or group entrants **from both children and adults**. You're tasked with creating a short film, storyboard, song, or script, to warn others of the dangers of trespassing on the railway.

If you'd like to run a workshop to help your group format an idea, get in touch with [Karen Bennett](#), Education Team Lead at [Community Rail Lancashire](#).

Clitheroe Town Wells Conservation Campaign

Summer Well Visits and Cry Out Guided Tours of Clitheroe's three Tudor Public Town Wells to coincide with three Market Days.

Each Tour will spend approx. 30 minutes at each of the three sites - St Mary's (or the Upper) Well, Heild (or the Lower or Town) Well, and Stock Well, where the story of each site will be presented. This will be followed by a Q & A session at end of each presentation.

Each 'visit' will be announced by Clitheroe's Town Cryer and take place at one hour intervals enabling visitors wishing to attend all three sessions time to wander across our Ancient Market Town with the assistance of Clitheroe Civic Society's Town Trail.

The visits and presentations are aimed at all ages and all take place within and around the Clitheroe Conservation Area.

No Pre-Booking required. [Check the Facebook page for confirmation of dates](#)

An Independent Visitor is an adult volunteer who provides support and friendship to a young person in care. This involves establishing a long term supportive relationship where the young person will have the opportunity to develop their interests, learn new skills and build their self-esteem.

We are looking to recruit volunteers to support young people who are under Local Authority care in Lancashire.

You do not need any special qualifications, but we are looking for dedicated people of all ages who are comfortable with befriending and being a good role model for a child or young person who may have experienced difficult times during their childhood. We ask that you are able to commit to a few hours once per month for a minimum of 2 years.

Hyndburn & Ribble Valley CVS are on the look out for Community Buddies to support individuals in attending participation groups. If interested please register on the Volunteer Hub <http://bttr.im/8tl8d>
